About ELAA

The Educational Liaison Association of Alberta (ELAA) is an organization comprised of Colleges, Technical Institutes, Universities, and Private Institutions in Alberta. ELAA members travel together throughout the province, visiting high schools and highlighting opportunities for post-secondary education in Alberta.

Please Note

Information in this guide is accurate as of August 1, 2008. Programs may have changed since this time. Please contact each institution for the most up-to-date program information.

Helpful Links

Further information on Alberta post-secondary institutions, occupations, and student finance may be found at the following websites:

www.alis.gov.ab.ca - Provides information to help Albertans with career planning, post-secondary education and training, educational funding, job search, labour market trends, and workplace issues.

www.tradesecrets.org – The website for Alberta Apprenticeship and Industry Training, offers information on trades, training schedules, and career information.

<http://canlearn.ca> - A one-stop online source to help you save, plan and pay for post-secondary education.

www.acat.gov.ab.ca – Alberta Council on Admissions and Transfer, offers information on where programs are transferable to within Alberta.

www.education.alberta.ca – Information on ordering high school transcripts, looking up your Alberta Student Number, helpful hints for studying.

Questions to Ask

As you learn about the programs that post-secondary institutions offer, here are some questions for you to consider and ask to the various school representatives:

- Does this program require pre-professional courses?
- I want to become a _____ (i.e. accountant). What field or faculty of study do I enter?
- Is there a quota for entry into this program? How many were accepted this year?
- What were the average marks of those accepted into the program this year?
- What are the academic requirements for admission into this program?
- What percentage of students find work in their field of study after completing this program?
- How many intakes per year does this program offer?
- What can I do with a major in _____ (i.e. chemistry)?
- What is a co-op program? Is there a co-op available in this program?
- How much are the tuition fees? How much are books and materials?
- What types of scholarships are available from your institution? Does this institution have any entrance awards?
- What is the first day that I can apply? What is the deadline to apply? What is the application fee?
- Do you have any housing or residence available? When should I apply for residence? What is the rent for residence? Does this include a meal plan?
- What student services are available at your educational institution? Are there academic advisors?
- What is the process for applying for a student loan?
